Notes: 1. Introduction

- Remember what
God has done
- When Israel returned to Jerusalem from Babylon
 - Return seemed like a dream
 - Mouth filled with song, "The Lord has done great things..."
 - Vision needed: Seeing something in the future that isn't there now with God's help
 - Preparing each generation to continue in obedience to God to train the next generation while continuing to grow themselves
 - Bending spiritual leaders (pastors, missionaries, & teachers, etc.) everywhere to preach to unsaved & teach the saved
 - Give God the glory for it all

- A Look to the future ~~Phil~~ Philippians 3:12-14
- ⓐ We're not perfect already, but God uses us as He tools
 - ⓑ We continue to follow Christ, growing day by day
 - ⓒ Remember the blessing, learn from the failures, Don't focus on either: Being more like Christ is our calling
 - ⓓ Glorify ~~God~~ God in all we do
- Sow in tears, Reap in joy Ps 126:5
